# KEY POINTS FOR YOUR UPCOMING BOND CLEAN

## DOUBLE-CHECK YOUR LEASE DETAILS

Your lease isn't just a contract, it's a guide to understanding what your Property Manager or Real Estate Agency expects when you move out. Dive into its pages, and if you spot anything specific – a certain way they want the oven cleaned or the garden left – let us know. Our aim is to be thorough, but your lease gives us a detailed map to perfection.

## A QUICK HEADS-UP MAKES ALL THE DIFFERENCE

You might come across some unique or unexpected requirements. No worries! Just share them with us ahead of time. The sooner we know, the better equipped we are to tailor our services just for you. Keep in mind, if these specifics sneak up on us on the day of service, they might not fall under our guarantee umbrella.

## FIRST THINGS FIRST: INITIAL WALK-AROUND INSPECTION

When our cleaning squad lands at your place, the first thing on the agenda? A walk-around. If you're around, we'd love you to join. It's our way to match up the service with the quote we gave you.

And hey, if there are any tweaks needed (like a bit more time), you'll be the first to know. We won't lift a finger until we've touched base with you about it.

**LET'S WORK TOGETHER TO ENSURE YOUR BOND CLEANING GOES OFF WITHOUT A HITCH! WE'RE HERE TO HELP, BUT A LITTLE COLLABORATION GOES A LONG WAY.**

## THE NITTY-GRITTY OF OUR BOND CLEAN GUARANTEE

If your real estate agent spots any hiccups from our internal bond clean, let us know within three days of our service completion. We'll swoop back in and fix it, free of charge.

Our guarantee specifically covers items that we initially cleaned as part of our service. If there are concerns raised about things not included in our initial clean, we're more than willing to come back and provide additional services, but those will be billed at our regular bond service rates.

# WHAT'S NOT INCLUDED IN OUR BOND CLEANING SERVICE

Every service has its scope, and while we aim to give you a comprehensive bond cleaning experience, there are certain tasks that aren't part of the standard package. Here's a breakdown for clarity:

- **Stickers & Hooks:** Removal of stickers or removable hooks.
- **Furniture Matters:** We don't handle the removal or shifting of furniture.
- **Ceilings:** Ceiling cleaning is not on our list.
- **Tough Spots:** Grout cleaning isn't included.
- **Outdoor Areas:** Balconies, external windows, patios, etc.
- **Child Safety Features:** Baby/child safety latch/lock removal.
- **Bins:** Rubbish bin cleaning isn't covered.
- **Garage Stains:** Removing oil stains from garage floors/walls.
- **Delicate Tasks:** We avoid any cleaning that might risk damage.
- **Garage Specifics:** We vacuum/sweep and manage light switches & power points, but deep garage cleaning or wall cleaning is excluded.
- **Kitchen Appliances:** Microwaves, fridges, etc. aren't cleaned by us.

## AVAILABLE UPON REQUEST (EXTRA CHARGES MAY APPLY)

- **Blind Cleaning:** Need those blinds sparkling? Let us know.
- **Wall Wonders:** We normally do spot cleaning, but if you want a full wall wash, just say the word!

**Always feel free to discuss any specific needs with us. We're here to assist and make your moving experience smoother.**

## A LITTLE NOTE ON TILE AND GROUT CLEANING

During our bond clean, we'll give your tiles a good, thorough scrub. But here's the thing: tile and grout cleaning is a special art, and we're not masters of it. If your tiles or grout are looking like they need some extra care, you might think about bringing in a specialist for that job. We always want the best for your space, so remember, that specific service isn't part of our bond clean offering.
